# SUNSET

*The most beautiful show  
on earth*

The sun rises and sets every day, a timeless ritual that never gets stale. Yet no sunset can compare to the one in Antwerp, where the evening sun bathes the city and the banks of **the Scheldt** in a magical light. Here, by the water, the sky changes from bright yellow to deep orange and intense red as the sun casts its last warm rays over the city.

This summer, our iconic **wooden stand** will once again be ready for you on the banks of the Scheldt, the perfect place to gather and admire this spectacle. Feel free to bring your own snacks and drinks and be enchanted by the play of colors above our river. The relaxed atmosphere, the buzz around you and the view of the passing boats make this a special moment.

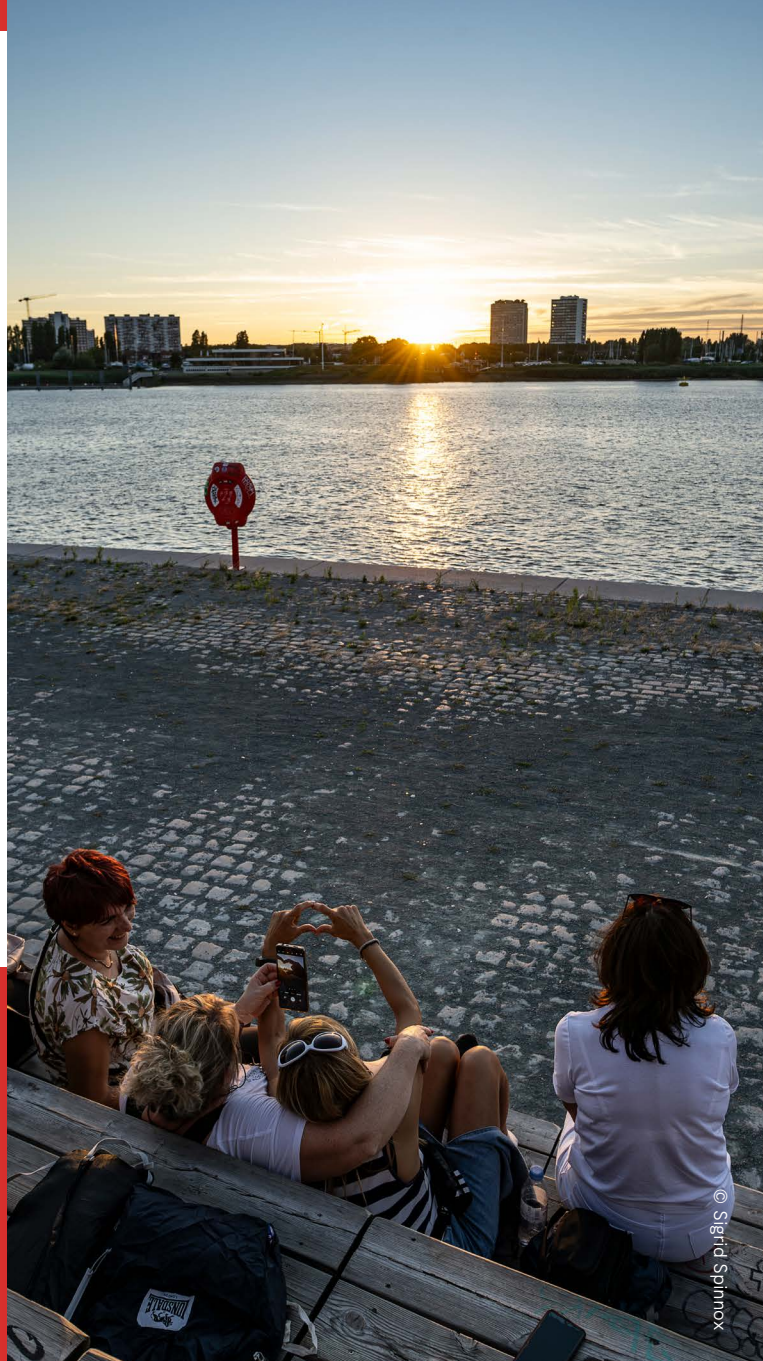

Whether you come with friends, family, or just on your own, an evening near the Scheldt is always **special**. Want to know when the sun sets? You can find the current sunset times at [zva.be](https://zva.be).

# PLAYA DE LAS AMÉRICAS

National  
premiere

*Maria & Gina*

Maria and Gina, two **charming singers** from the most beautiful Canary Island, are coming to Belgium especially for you.

*"They're from the Kempen, so you'll understand them."* On the beaches of Tenerife, they wrote poetry and music about the crashing sea, the setting sun, sunburn and the beauty of friendship.

They are best friends, but do they share all their secrets with each other? And what does Fons think about that? The **friendship romcom** by two young creators that everyone should see.

Tip: take the **DeWaterbus** to Fort Lillo and imagine you're really in Tenerife. The performance takes place in the open air, while you sit at cozy tables. Maybe order a strawberry daiquiri to go with it. *Fiesta local!*

# OSTINATO

Akoreacro

International  
premiere

Akoreacro returns to Zomer van Antwerpen! Welcome to **Ostinato**, a thrilling **circus journey** through time. These acrobats and musicians take you on a journey through history, from prehistoric times to the future. Ostinato is not only the Italian word for stubborn, but also a short musical pattern that is repeated over and over again. Just like music, people often fall back into the same patterns. What if things were to turn out slightly differently each time? Acrobatics and music merge into one story, full of contrasts and irresistible jokes.

You won't be able to **take your eyes off** this acrobatic rollercoaster. Vulnerable and powerful, stumbling but persistent. A show that amazes and inspires.

Already worth repeating.

# FALSTAFF

National  
premiere

DESCHONECOMPANIE &  
Muziektheater Transparant

Five generations of women form a troupe that performs an adaptation of Shakespeare's **The Merry Wives of Windsor**. On and off stage, they battle with the iconic character Falstaff. As they attempt to perform the play, reality repeatedly breaks through the performance. Conflicts and confusion lurk in the wings. Even the director becomes part of the story. Gradually, the boundaries between fiction and reality blur. **What is real and what is not?** This **top-notch cast** creates a great deal of planned confusion.

A concept by Tom Goossens and Elien Hanselaer, with Stefaan Degand, Elien Hanselaer, Lucie Plasschaert, Ariane van Vliet, Ecem Topcu, and Sien Eggers, under the musical direction of Wouter Deltour, **Falstaff** unfolds like a true theatrical matryoshka.

In the open air, you can watch this **fresh take** on a classic, as well as on the operas of Verdi, Nicolai, and Williams.

Stories from the street come to life in a hidden waiting room of the **most beautiful train station** in the world. Who and what is hiding behind the bravado, the indifference, the smile?

Let yourself be carried away by raw emotions, discover the voices behind the façades and experience the city like never before.

*Phia Ménard*

**International

Let yourself be carried away into the swirling world of **Nocturne (Parade)**, the latest installment of the Wind Cycle by renowned French director and performance artist Phia Ménard. A joyful comeback, following the earlier success of Ménard's **L'après-midi d'un foehn** and **VORTEX** at Zomer van Antwerpen.

In a **nocturnal aerial ballet** full of untameable dancers, a fragile universe unfolds. Good and evil dance together in a battle for the night.

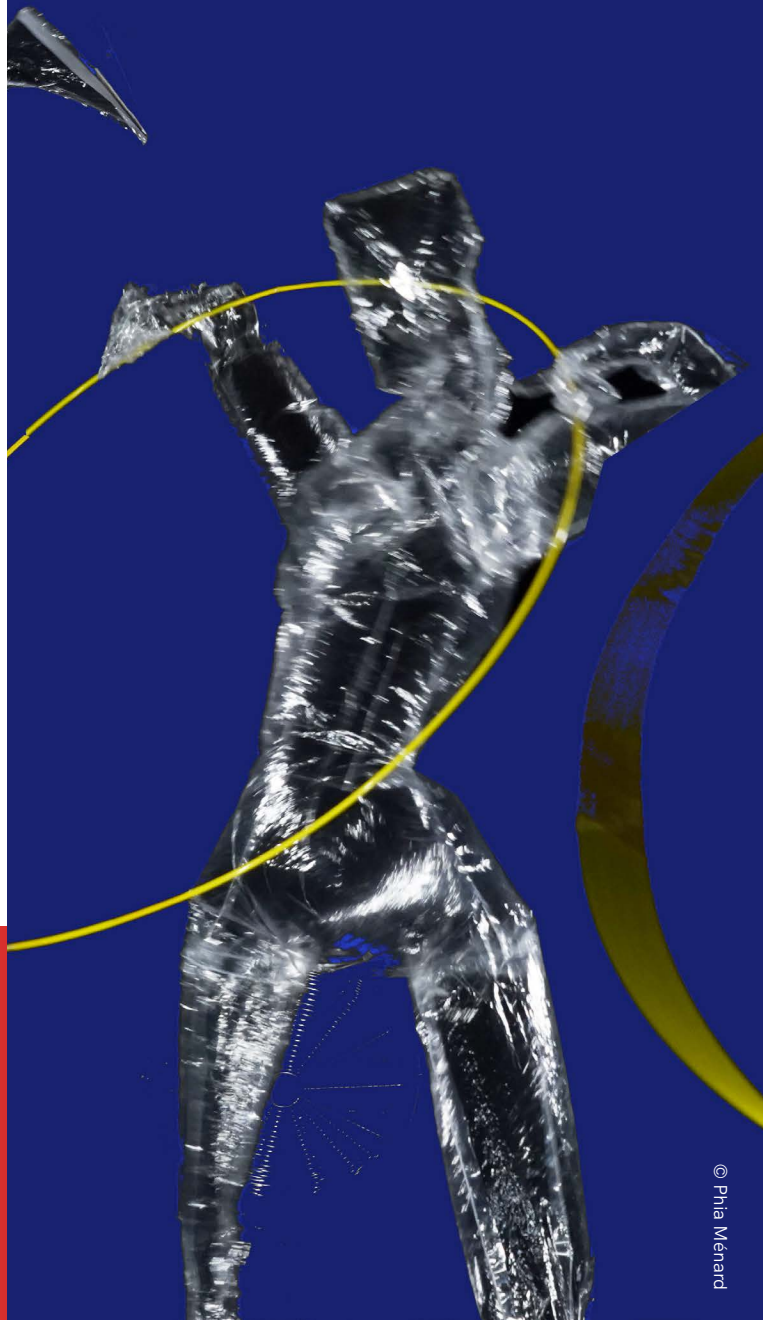

A majestic visual extravaganza with **plastic** dancers, invisible choreographers and a dash of social criticism. Do you dare to search for the light at the end of the tunnel? # ALLEEN EEN WONDER

Johannes Lievens  
& Martha!tentatief

National

In **Alleen Een Wonder**, Johannes Lievens, known for his monologue **De Eenzame Stad**, tells the story of someone who is saved by a kiwi plant, someone who is ruined by five digits, and someone whose life was changed by an encounter at the foot of the Himalayas.

Together with drummer Orlan Ghekiere, Johannes is feverishly traveling, night after night, in search of something to hold on to. An ode to **unexpected twists and turns**. Can a story save someone?

Performed outdoors at the **Stuivenberg site**, which is undergoing extensive redevelopment, Johannes takes you on a journey through disarming, vulnerable stories as only he can.

# DANS MA PISCINE

*Cie Ea Eo*

Immerse yourself in the surprising world of **Dans Ma Piscine**. In an impressive hexagonal **aquarium** two meters high and wide, a juggler plays with the laws of nature.

Before your eyes, everyday objects come to life. They float, spin, and dance **underwater**, as if they have a will of their own. Each object takes on its own character and movement, making every dive a new discovery.

With great humor and flare, the artist shows how he challenges and plays with the elements. Seven objects, seven ways of floating or sinking, each time a different, magical encounter. A performance that enchants **young and old** alike and invites you to view the world with wonder.

A playful, **sensory experience**, where the impossible suddenly seems quite ordinary. You won't forget this performance any time soon.

# THE AIR BETWEEN US

National

This impressive open-air performance has been touring the world non-stop for several years, and once you see it, you'll understand why.

This special **dance in the air** brings together two performers from completely different backgrounds, thanks to their shared passion. Florent Devlesaver, who uses his **wheelchair** as an extension of his body, and choreographer Chloe Loftus float, spin, and balance together at great heights.

Their movements tell a **poetic story** of harmony, trust, and bridging differences, keeping each other in balance both literally and figuratively.

The performance is an ode to **inclusion**: not only on stage, but also in experience. Here, all bodies are equal, all perspectives welcome.

## MUZIEK IN DE WIJK JULY

**Kasiva Mutua**

02 July - 06 July

With her debut album *Desturi*, Kasiva Mutua proves that she is more than worthy of her title as East Africa's best female percussionist. She creates a tapestry of sound combining traditional rhythms and modern sounds, brought directly from Kenya to your square.

**Fabio Ramos**

09 July - 13 July

Thanks to Fabio Ramos' compelling songs and infectious rhythms, Antwerp is sure to get just a little bit warmer this summer. Let yourself be carried away by the nostalgic sounds, danceable rhythms, and irresistible charm of this Cape Verdean crooner.

**Riccie Oriach**

16 July - 20 July

Dominican singer, guitarist, and percussionist Riccie Oriach has a distinctive musical style that fuses punk and rock with traditional Caribbean rhythms such as merengue, bachata, and samba. This Latin Grammy Award nominee will make the Antwerp hearts beat just a little faster.

**Sara Curruchich**

23 July - 27 July

Sara Curruchich is the first indigenous Guatemalan singer and songwriter to sing in both Kaqchikel (her mother tongue) and Spanish for an international audience. She also uses her voice as an activist for UN Women Guatemala. Sara's visit to Antwerp is an absolute gem in our program.

## MUZIEK IN DE WIJK AUGUST

**Tangomotán**

06 Aug - 10 Aug

After two albums, Tangomotán continues to explore tango in all its facets with their third opus, *Motán*. A Tangomotán live show is an exciting journey of discovery through the rich and complex history of tango. The genre was added to UNESCO's list of intangible cultural heritage in 2009 and they know how to translate that into 2025.

**Expresso Transatlântico**

13 Aug - 17 Aug

This trio met in Lisbon, where they grew up surrounded by music. They started making songs together across the Atlantic. That's how they came up with their name, which reflects their transcontinental collaboration and cross-pollination of genres. We're already fans of this spicy indie rock!

# SUMMER FOR ALL

Zomer van Antwerpen aims to be an **open festival**, welcoming all ages, cultures, religious beliefs, gender identities, and sexual orientations. We strive to maintain a pleasant, vibrant and above all safe atmosphere. We **cannot do this alone**. We ask our employees, volunteers, artists, partners and our audience to treat each other with **respect**.

All our workplaces, performances, and events have a **zero-tolerance** policy for all forms of inappropriate behavior and discrimination. Every report of non-compliance with these values and standards is taken seriously. Naturally, we treat every report and/or complaint confidentially. Would you like to report something? Do you have any questions or suggestions? Talk to a member of staff during the festival or send an email to **meldpunt@zva.be**

For years now, we've been committed to creating a **barrier-free summer** so that everyone can enjoy our festival to the fullest. This year, we've invested in additional equipment to make ZVA even more **accessible**, in collaboration with the District of Antwerp's participatory budget. Examples include plastic ramps for wheelchair users and vibrating vests, so that deaf and hard-of-hearing people can also enjoy a full experience.

Those who are able to do so, can donate an amount when purchasing tickets. You can also **donate an extra euro** when ordering a drink at our bars. This money will be used to give other visitors who are financially vulnerable a discount. To achieve this, we work together with A-Kaart by the City of Antwerp, **VRJUIT** and numerous other organizations. Zomer van Antwerpen also welcomes **donations**, so that we can launch even more initiatives to give everyone an unforgettable summer. Donations can be made to account number BE68 7350 2457 4734.
